Sabelleus of Lisidion

-A member of [the Second Engine](#); known for seriousness and practicality

-[Kloë's](#) primary guardian

Tyrhía Odrhin

-A member of the Second Engine; known for boldness and presence.

Marin Arkshaw

-A member of the Second Engine; known for determination and ruthlessness.

Kloë

-The collective adopted child of several refugees during the Unending War; primary guardian was [Sabelleus of Lisidion](#).

Sovereign Dimir

-First Ruler of Dimirha, who took over after the initial disappearance of her brother, [Lord Captain Drhani](#), and refused to abdicate the throne upon his return, leading to the civil war that caused Endhar to secede.

Lord Captain Drhani

-Once the Crown Prince of the Lhakhik Empire; a long disappearance during a voyage to the far north caused him to be presumed dead, during which his sister, [Sovereign Dimir](#), ascended the throne.

-He returned with a mission from the Pryori Council, which he was unable to fulfill due to his sister's refusal to step down from power. In the civil war that followed, Drhani would emerge as the ruler of a new, seceded country, Endhar.

-Friend of [Jharik](#); falling out occurred after Drhani was converted to the Pryori mission.

Lumie Davenport

-An author

Shole Hearth

-An author

Elhash the Great

-The conqueror responsible for uniting the Lhakhik nations into a single empire

Saint Belorv
