

Lord Captain Drhani

-Once the Crown Prince of the Lhakhik Empire; a long disappearance during a voyage to the far north caused him to be presumed dead, during which his sister, [Sovereign Dimir](#), ascended the throne.

-He returned with a mission from the Pryori Council, which he was unable to fulfill due to his sister's refusal to step down from power. In the civil war that followed, Drhani would emerge as the ruler of a new, seceded country, Endhar.

-Friend of [Jharik](#); falling out occurred after Drhani was converted to the Pryori mission.
