

Behemoth (Lyrics)

[Spoken]

In a state of suspended animation
Are the awesome creatures
The leviathans that roamed the Earth at the dawn of time
Wreaking prehistoric fury on modern man and his puny machines
Their weapons would be powerless before the onslaught of the beast
The beast, the beast

[Verse 1]

Deep down
Things that don't want to be found
Lurking in the underground
Rearing up ahead
To break the surface
Each day brings new things to find
For the curious mind
Working through the night
To learn the purpose

[Chorus]

Big sound! Impossibly unimaginably
Heart-stoppingly colossally loud
Behemoth!
Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

[Verse 2]

Move in the dark picking up invisible strands
To formulate and understand
The planet we live on
Scratch the surface
Thousands of years with an eye to glass
Staring up at the stars
And everything between
To learn the purpose

[Chorus]

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

[Chorus]

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

Big sound! Impossibly, unimaginably
Heart-stoppingly colossally loud
Behemoth!

Behemoth!

Behemoth!
