

Medusa (Lyrics)

[Verse]

Enigma, shimmerer
Could I have the answer?
You have seen a glimmer
Of supernatural power

What made me so Medusa?
For I am my own Saviour
Perpetual rapture
Like a blooming flower

[Chorus]

As far as the, as the eye can see
As far as the, as the eye can see
As far as death and immortality
As far as the, as the eye can see

[Verse]

Beholder
Mirrorer
For I am my
Own saviour

What made me so
Medusa?
For I am my
Own Saviour
Perpetual rapture like a blooming flower

[Chorus]

As far as the, as the eye can see
As far as the, as the eye can see
As far as death and immortality
As far as the, as the eye can see

[Outro]

As far as the eye can see
Across the water
Her reflection follows me
Echoes across the water

As far as the eye can see

Across the water
Her reflection follows me
Like mother, like daughter
