

Pufferfish Love (Lyrics)

[Verse]

After twenty-four long hours every day for seven days
If you've got the time to spare
I'd really like to meet you
To show you what I have made

Circle around it with bird's-eye vision
To get the perfect view
My passion is written in concentric circles
It's a labyrinth for two

[Chorus]

Wherever you are
I am looking for you to come and see it through
Wherever you are
I am here, and I am waiting

[Verse]

The work is done for the lonely artist
But all glory fades
The love note to you in peaks and valleys
Will vanish beneath the waves

I myself blend into the background
My craft is what I can give
The love of beauty in concentric circles
Is what spurs us on to live

[Chorus]

Wherever you are
I am looking for you to come and see it through
Wherever you are
I am here, and I am waiting

[Bridge]

Sooner or later, I will discover, the lover I long for in you
Sooner or later, I will discover, the lover I long for in you

[Chorus]

Wherever you are
I am looking for you to come and see it through

Wherever you are
I am here, and I am waiting
